FINGERPRINT INFORMATION

Completion & Submission of RE 237

One set of classifiable electronic fingerprints is required from every real estate license applicant. Fingerprints must be submitted through the California Department of Justice (DOJ) Live Scan Program. A Live Scan Service Request (RE 237) may be obtained online at www.dre.ca.gov.

After you have your fingerprints taken by the live scan service provider, either submit a completed copy of RE 237 with this application or, if you choose to get your fingerprints taken at a later date, submit a completed copy of RE 237 to the Department of Real Estate, P.O. Box 137002, Sacramento, CA 95813, Attn: Fingerprint Desk. Your license will not be issued until a report from the Department of Justice is received stating that there

is no criminal history, or disclosing the existence of criminal history information. If prior criminal information is disclosed in the report, further background inquiry may be required before your license is issued.

Fingerprint services (Contact the facility for fees/hours)

Many California law enforcement agencies and other private providers provide electronic fingerprint services. You may obtain a complete list of fingerprint service providers through www.dre.ca.gov or by visiting the Department of Justice's website at www.ag.ca.gov. Please note that the hours of operation for each provider may vary and an appointment may be required.

Out-of-state applicants

Out of state residents either need to make arrangements to get their fingerprints taken at a live scan service provider in California or get fingerprinted out of state using the FBI Applicant Fingerprint Card (FD-258 Rev. 5/99). A fingerprint card can be obtained by contacting Licensing Section at **877-373-4542**. It should be taken to a local law enforcement agency for completion and submitted directly to DRE with the completed exam/license application, exam/license application fee, and \$49 fingerprint processing fee.

NOTICE ABOUT THE SAFE ACT

All DRE licensees who conduct residential mortgage loan activities, as outlined in the federal SAFE Act, must obtain a mortgage loan originator (MLO) license endorsement in order to perform these types of activities (SB 36, Calderon, Chapter 160, Statutes of 2009). MLO license endorsement applications must be submitted through the Nationwide Multistate Licensing System & Registry (NMLS) and applicants must successfully complete the National test with uniform State content, submit a MLO license endorsement filing through NMLS and pay required license endorsement fees, submit fingerprints to NMLS, satisfy the 20 hour pre-license education requirement, and submit authorization for NMLS to obtain a credit report. All MLO license endorsements expire on December 31st and must be renewed annually by submitting a renewal filing through NMLS along with the appropriate fees, and evidence of completion of 8 hours of continuing education, as specified. Detailed information regarding obtaining a MLO license endorsement can be found on our website.

RE 866 Filing Requirements

All DRE licensees must report to the Department of Real Estate if they make, arrange, or service loans secured by residential property, 1 to 4 units, under the authority of the Real Estate Law. The report must be made within 30 days of commencing such activity and must be completed online using Form RE 866 – Mortgage Loan Activity Notification. Penalty fees can apply for failure to submit this required notification.

It is a misdemeanor for any person to subvert or attempt to subvert any licensing examination. Sections 123, 123.5, 496, 10153.01 and 10153.1 of the Business and Professions (B&P) Code relate

to test security and provide that DRE may deny, suspend, restrict or revoke the license of an applicant or licensee who subverts or attempts to subvert a licensing examination.

In addition to any other penalties, a person found guilty of violating Section 123 of the B&P Code shall be liable for the actual damages sustained by the agency administering the examination not to exceed ten thousand dollars (\$10,000) and the costs of litigation.

APPLICANT INSTRUCTIONS

Fingerprint Requirement

One set of classifiable electronic fingerprints is required from every real estate license applicant. The fingerprint process is completed by a live scan service provider as noted below.

One set of classifiable electronic fingerprints is also required by licensees who hold a restricted license and who are petitioning for removal of restrictions or by individuals who have had their real estate license revoked and are petitioning for reinstatement of their license.

Applicants have the option of getting their fingerprints taken either after passing their examination or after they have submitted their examination application. However, fingerprint processing fees are not refunded if an applicant fails to pass the examination.

Out of state residents either need to make arrangements to get their fingerprints taken at a live scan service provider in California or get fingerprinted out of state using the FBI Applicant Fingerprint Card (FD-258 Rev. 5/99). A fingerprint card will be provided to all out of state applicants with the original license application. It should be taken to a local law enforcement agency for completion and submitted directly to DRE with the completed license application, license application fee, and \$49.00 fingerprint card processing fee. Applicants who wish to get their fingerprints taken out of state after submitting their examination application, but before passing their examination, may request a blank fingerprint card by contacting the Licensing Section at 1-877-373-4542.

Privacy Act Statement

Authority. The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose. Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses. During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental, or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

Noncriminal Justice Applicant's Privacy Rights

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification¹ that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.²
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.³

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁴

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.) You can find additional information on the FBI website at <https://www.fbi.gov/about-us/cjis/background-checks>.
