CE GENERAL INFORMATION

Courses Valid for Four Years

All continuing education course offerings attended must be completed within the four-year period immediately preceding the effective date of renewal. This is normally the day after the expiration date for an on-time renewal. All licensees are allowed two years beyond the expiration date of their license to renew on a late basis by meeting the renewal requirements in effect at that time. *In this case, all course offerings must be completed within the four-year period immediately preceding the date the application is received by the Department.*

CE course credit expires four years from the course completion date; therefore, courses completed as part of a prior renewal requirement **cannot** be applied to a current renewal application.

Corporation Officer License

A currently licensed individual broker is not required to provide evidence of completion of 45 hours of CE to renew a corporation officer license or apply for a new corporation officer license. However, a person who is licensed only as a corporation officer must submit evidence of completion of CE requirements to a) renew the existing license, b) apply for a new corporation officer license, or c) apply for an individual broker license.

Certificates of Completion

The Certificate of Completion provided by the course sponsor, upon successful completion of the course, will include: an 8-digit certificate number, designated category, registration date, date completed, course hours, and the course title. If the certificate does not contain a valid 8-digit number, contact the course sponsor to obtain the correct number.

- *Do not contact the Department of Real Estate regarding certificate numbers.*
- *Do not send CE certificates of attendance to the Department unless specifically requested to do so.* (CE certificates should be retained by the licensee for a period of four years or until the renewal process has been successfully completed.)
