

WHO'S WHO IN THE HOMEBUYING PROCESS

A licensed professional who provides a home's market value based on comparable properties in the area.

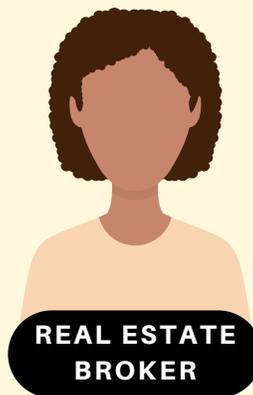

Responsible for processing and finalizing real estate deals and ensuring that all aspects of the property agreement have been met.

Someone that helps a prospective borrower secure a mortgage for a real estate transaction.

A licensed professional (broker or salesperson) who helps people buy, sell, and rent real estate acting under the supervision of a broker.

A licensed real estate professional with additional training and licensing requirements than a salesperson who can work independently or employ/affiliate with real estate salespersons.

Runs a search to determine a property's ownership history and that there are no liens on the property being purchased, and also issues title insurance coverage.
