SPECIAL NOTE — CONDITIONAL PUBLIC REPORT

Under California B&P Code §11018.12(d), a person may sell or lease, or offer for sale or lease, lots or parcels in a subdivision pursuant to a conditional public report if, as a condition of the sale or lease, delivery of legal title or other interest contracted for will not take place until issuance of the final public report and other specified conditions are satisfied. §11018.12(f) requires a subdivider or principal to provide a prospective purchaser with a copy of the conditional public report and a written statement with specified information.

Section 11018.12(h) provides that the term of a conditional public report shall not exceed 6 months, but the report may be renewed for one additional six-month period of the Commissioner determines that the requirements for issuance of a public report are likely to be satisfied during the renewal term.

Section 11018.12(a) provides that the term of a conditional public report for attached residential condominium units, as defined pursuant to Section 783 of the Civil Code, consisting of 25 units or more as specified on the approved tentative map, shall not exceed 30 months and may be renewed for one additional term of six months if the commissioner determines that the requirements for issuance of a public report are likely to be satisfied during the renewal term.

In addition to the items required for a final public report, an applicant for a conditional public report should submit:

- (a) the required fee;
- (b) a statement identifying the information required for issuance of the final public report which is not to be available when the conditional public report is issued and specifying why that information will not be available at the time of issuance of the conditional public report; and
- (c) exemplar sales agreements and escrow instructions designed for use in sales conducted under authority of the conditional public report.

I. When To Apply

If the subdivision will not be sold out during the term of the final subdivision public report, application for a renewal of the report should be submitted approximately six months prior to the reports expiration date.

If there are errors in the report or if there are or will be material changes in the offering (see Regulation 2800), the existing final subdivision public report or conditional public report must be amended so that the information therein contained is correct (amendment). All sales must cease until the amended report is received, unless a preliminary/interim public report has been issued.

II. Where To File Your Application

There are two DRE Subdivision Offices. Each office processes applications for subdivisions being developed in certain counties as shown below. Please submit your application to the correct office. *Note: In rare instances DRE may transfer applications to the other District Office for processing. You will be advised should your file be transferred.*

The following counties are covered by the Southern office:

Imperial	Los Angeles
Orange	Riverside
San Bernardino	San Diego
Santa Barbara	Ventura

Subdivisions Office – South
 320 W. 4th Street, Suite 350
 Los Angeles, CA 90013-1105
 Telephone: (213) 576-6983

All other counties are covered by the Northern office:

Subdivisions Office – North
 1651 Exposition Blvd., Sacramento, CA 95815
 P.O. Box 137005
 Sacramento, CA 95813-7005
 Telephone: (916) 576-3374

III. Use The Latest Forms

Always use the latest revised form. Use of an obsolete form may invalidate or delay your application.

IV. All Documents Must Be Tabbed/Hole-Punched

In order to efficiently process the application, we require that **all** incoming documents, including those submitted after the original application package, be tabbed with the item numbers shown in the application. Use heavy stock or fabric tabs, not plastic or paper tabs. Each tab must show the document's precise item number.

Place the tabs on the right side of the documents. Do not place all tabs in the same location, but stagger them up and down the right edge of page. Do not place tabs on the upper two inches of the documents.

- Note:*
- Be sure to also tab and hole-punch any documents submitted after the initial submittal of the application.
 - Do not hole-punch original public reports or maps.

V. **Single Responsible Party (SRP)**

In order to process your application expeditiously, we request that a single responsible party (SRP) be designated on the application. Normally, all communication from the DRE regarding your application will be through this person. *Other parties having an interest in the application should contact the SRP for status information, rather than the DRE.* In addition copies of all written communications to the SRP will be sent to the subdivider.

Submit ten self-adhesive address labels for the SRP of the filing and another ten labels for the subdivider. If your filing includes a duplicate budget package, submit five additional labels for both parties with the DBP. Complete the labels as shown below:

Sample: Mr. John Smith
Smith Title Company
123 Main Street
Anywhere, CA 90000

VI. **Communications with the Department**

When corresponding with the Department about a file or when sending in deficiencies, *always reference the DRE application file number and the name of the Real Estate Specialist assigned.*

Make copies of all documents submitted and to retain them for your reference.

Always submit correspondence and deficiency corrections to the office indicated on the deficiency notice.

VII. **Filing Fees**

Refer to Subdivision Filing Fees (RE 605) for appropriate fees and payment method.

VIII. **Answer All Questions**

If a question is not applicable, mark it NA. If you need more space than is available to answer a question, do not hesitate to use attachments.

IX. **RE 635 — Amendment/Renewal Application**

RE 635 may be used for all amendment and renewal applications (except for time-share projects).

If any of the following applies, RE 635 must be used:

- A public report to be issued to an entity other than the entity to whom the original (or a previously amended) public report was issued.
- RE 635A may be used for change of ownership in both standard and common interest subdivisions, provided the exhibits listed in RE 635A are submitted.
- RE 635B may be used for both standard and common interest subdivisions for a change only in the subdivider name without a change in ownership.
- A material change in homeowners association budget or financial condition or involving a budget review.

- Budget was last accepted more than 24 months ago.
- Proposed amendments to the governing instruments for common interest subdivisions for which the consent of the Real Estate Commissioner permitting a vote of owners is required under Section 11018.7 of the Business and Professions Code.
- Renewal applications and applications pertinent to any public report originally issued prior to May 5, 1962.
- A subdivision offering that is, or is to be, registered with the Consumer Financial Protection Bureau (CFPB).
- Raw land subdivision amendments.
- Offering that involves use of real property sales contracts, all inclusive deeds of trust, balloon payments, subsidized interest and loan payments, “creative financing” plans, equity sharing plans, “affordable housing” financing, or other similar financing provisions.
- Changes in phasing of a common interest development.
- Adding or revising security to be posted for guaranteeing lien free completion of homeowners association common area.
- Material modifications or the addition of a maintenance or subsidy program with the homeowners association.
- Applications to add vacant lots/units to be sold under an agreement obligating buyer to enter into construction with seller or seller controlled entity.
- Applications for Amendment/Renewal of a Conditional Public Report.

Preliminary/interim public reports are issued for one year and become invalid once the amended or renewed public report has been issued.
- If requesting a *conditional public report*, refer to instructions in SPRAG.

X. **RE 635A — Expedited Amendment Application**

If none of the categories above applies, RE 635A may be used as follows:

- Submit a completed and signed RE 635A with copies of all of the documents requested in the form. All documents to be tabbed and two-hole punched at the top.
- Submit two original typewritten amended public reports and two photocopies thereof. Also, submit a copy of the new amended public report with the changes underlined in

red, and a copy of the most recently issued public report.

Note: Do not submit typed-over changes. The proposed amended report must be a newly typed report, not a modification of the old report and not a photocopy of the old report.

- On page 1 of RE 618G enter the number of the amendment to be made and the date on which the report may be used, as illustrated in Figure A:

Unless you are instructed by DRE to use an earlier or later date, the amendment date (the date on which the report may be used) should be no earlier than ten business days after delivery, whether mailed or hand delivered.

The file number should include an "A01" rather than an "F00," if this is the first amendment. Subsequent amendments reflect the next consecutive "A##" from that included on the current public report. If there are any questions regarding the file number, contact DRE office that will process your amendment application.

Note: Always confirm with the assigned Real Estate Specialist before using the amended report.

- The amended public report may be reproduced and used, as submitted, beginning on the tenth business day following delivery, unless instructed by DRE that the amended public report is not approved for use.

Note: Subdividers who wish to avail themselves of this expedited procedure pursuant to the directions in RE 635A should add essentially the following language as the first sentence/paragraph of the amended public report:

This public report covers * ___ lots.

- * Insert the number of the lot or lots to which the subdivider has title or which are subject of a binding contract or recorded option agreement, e.g., lot 6 or lots 42, 65, 81.

XI. RE 635B — Amendment Application (subdivider name change/non substantive changes)

RE 635B may only be used for a change in the name of the subdivider or other recurring and non-substantive changes. RE 635B may not be used where there is a change in the ownership of the subdivision along with a change in the name of the subdivider. This form applies to both standard and common interest developments (including time-shares).

If the name change qualifies, RE 635B may be used as follows:

- Submit a completed and signed RE 635B with copies of all of the documents requested in the form for each filing being amended. All documents to be tabbed and two-hole punched at the top.
- Submit the full filing fee for the first application, and the reduced fee for all the remaining applications submitted concurrently (refer to RE 605).

XII. RE 635D — Expedited Amendment Application (natural hazards status)

RE 635D may only be used for changes in natural hazard status. RE 635D may not be used where there is any other type of

change in addition to natural hazard status or if a natural hazard designation will result in a 20% or more increase in the budget for a common interest subdivision. Use Amendment/Renewal Application (RE 635) instead.

RE 635D may be used as follows:

- Submit a completed and signed RE 635D.
- Submit the filing fee (refer to RE 605).
- Submit an original typewritten RE 618F with a copy of the most recently issued public report, and two photocopies thereof. Refer to the RE 635D for language to be included on the RE 618F. Unless you are instructed by DRE to use an earlier or later date, the amendment date (the date on which the report may be used) should be no earlier than ten business days after delivery, whether mailed or hand delivered. The file number should include an "A01" rather than an "F00" if this is the first amendment. Subsequent amendments reflect the next consecutive "A##" from that included on the current public report. If there are any questions regarding the file number, contact the DRE office that will process your amendment application.
- The amended public report may be reproduced and used, as submitted, beginning on the tenth business day following delivery, unless instructed by DRE that the amended public report is not approved for use.

XIV Public Report Typing

Amended/renewed subdivision public reports are typically prepared by single responsible parties and reviewed at respective DRE Subdivision Offices. The content of the public is subject to statutory requirements and the review of the DRE. *Public reports will automatically be sent to the entity designated as the single responsible party in this application, unless DRE is notified otherwise.*

XV. Receipt for Public Report — Regulation 2795.1

Each prospective purchaser must be given a copy of the public report for which a receipt must be completed and retained for three years. A Receipt for Public Report (RE 614E) shall be used by the owner/subdivider (or agent). (Refer to Figure B.) A copy of RE 614E will be provided when the public report is issued.

The receipt is to be kept on file by the subdivider (or the agent) for three (3) years.

Note: Regulation 2795.1(a) states: “A receipt on the form specified herein shall be taken by or on behalf of the subdivider from each person executing a reservation agreement under authority of a preliminary or an interim public report and from each person who has made a written

offer to purchase or lease a subdivision interest under authority of a final subdivision public report.”

Subdivision (b) of Regulation 2795.1 provides that the receipt shall be retained for a period of three years from the date of the receipt and shall be available for inspection by DRE during regular business hours.

Section 11018.1 of the Business and Professions Code stipulates when, and to whom, the subdivider or the subdivider’s agents or salespersons must give copies of the public report:

Prospective Purchaser to Receive Report §11018.1.

- (a) A copy of the public report of the commissioner, when issued, shall be given to the prospective purchaser by the owner, subdivider or agent prior to the execution of a binding contract or agreement for the sale or lease of any lot or parcel in a subdivision. The requirement of this section extends to lots or parcels offered by the subdivider after repossession. A receipt shall be taken from the prospective purchaser in a form and manner as set forth in the regulations of the Real Estate Commissioner.
- (b) A copy of the public report shall be given by the owner, subdivider or agent at any time, upon oral or written request, to any member of the public. A copy of the public report and a statement advising that a copy of the public report may be obtained from the owner, subdivider or agent at any time, upon oral or written request, shall be posted in a conspicuous place at any office where sales or leases or offers to sell or lease lots within the subdivision are regularly made.

XVI. Regulations Regarding Use of Public Report

Interests in a subdivision shall not be offered for sale or lease until the Real Estate Commissioner’s final or conditional (amended or renewed) public report thereon has been issued, nor shall a deposit be accepted on, or an agreement of sale or lease be executed for, any interest in the subdivision until a copy of the final or conditional (amended or renewed) public report thereon has been given to the prospective purchaser or lessee and a receipt taken therefor.

Each purchaser’s or lessee’s signed receipt for a copy of the final public report shall be kept on file in the possession of the owner/subdivider (or agent) of the subdivision for three (3) years subject to inspection at any reasonable time by the Real Estate Commissioner or his representatives.

The final or conditional public report shall not be used for advertising purposes unless the report is used in its entirety, nor shall any person advertise or represent that the Department of Real Estate or the Real Estate Commissioner approves or recommends the subdivision project or sale thereof. No portion of the report shall be underscored, italicized or printed in larger or heavier type than the balance of the report unless the report issued by the Real Estate Commissioner is so emphasized.

Sale of a subdivision interest by the owner, agent or subdivider after its repossession shall be considered an original sale, and

a copy of the public report shall be given to the purchaser as in the case of the original sale.

The owner/subdivider (or agent) shall immediately furnish data in writing to the Real Estate Commissioner on any new condition or development in the subdivision being offered for sale. (See Commissioner's Regulation 2800 for an enumeration of material changes that may require amended subdivision public reports.)

If the owner of the subdivision options or sells five or more interests to another purchaser/optionee, such option or sale shall constitute a material change within the meaning of Section 11012 of the California Business and Professions Code, and such owner shall immediately notify the Real Estate Commissioner in writing of such option or sale. A purchaser/optionee of five or more interests is under obligation to obtain an amended public report before reselling. (See Regulation 2801.5 for further definition of "Subdivider.")

When the interest conveyed to purchasers consists of a sublease or lease assignment, the owner/subdivider, or agent of the subdivider, shall deliver to each purchaser a copy of the original lease and all subsequent modifications, extensions and assignments upon which the interest to be conveyed is based.

The proposed further division of any interest in the subdivision must be reported to the Real Estate Commissioner pursuant to Section 11012 and/or 11018.7 of the Business and Professions Code. (Also, see Regulation 2800.)

A division of any interest in the subdivision into five or more interests may constitute a new subdivision as defined by Section 11000 et seq. of the Business and Professions Code and a separate final public report may be required for that offering.

Note: All sections of the Business and Professions Code and the Commissioner's Regulations (California Code of Regulations) mentioned herein can be found in the Real Estate Law Book.

Review of Sections 11000 through Section 11200 of the Business and Professions Code and Regulations 2790 through 2804 may be of benefit to you.

XVII. Documents to be Delivered to Prospective Purchasers (common interest filings only)

Pursuant to Section 11018.6 of the Business and Professions Code, the subdivider of a common interest subdivision must make certain documents available to prospective purchasers prior to entering into a purchase contract:

§11018.6. Any person offering to sell or lease any interest subject to the requirements of subdivision (a) of Section 11018.1 (B&P Code) in a subdivision described in Section 11004.5 shall make a copy of each of the following documents available for examination by a prospective purchaser or lessee before the execution of an offer to purchase or lease and shall give a copy thereof to each purchaser or lessee as soon as practicable before transfer of the interest being acquired by the purchaser or lessee:

- (a) The declaration of covenants, conditions and restrictions for the subdivision.
- (b) Articles of incorporation or association for the subdivision owners association.
- (c) Bylaws for the subdivision owners association.

- (f) A statement prepared by the governing body of the association setting forth the outstanding delinquent assessments and related charges levied by the association against the subdivision interests in question under authority of the governing instruments for the subdivision and association.

Owners of interests in common interest subdivisions must provide essentially the same documents to potential purchasers (resales) pursuant to Section 4525 of the Civil Code.

The DBP is to be set up as follows:
