IT MAY BE NECESSARY TO LEVY ASSESSMENTS AGAINST THE UNIT OWNERS TO PAY FOR SUCH REPAIRS.

MANAGEMENT AND OPERATION

The _____ Association, of which you become a member at time of purchase, manages and operates the common area(s) in accordance with the ☐ Restrictions, Articles of Incorporation, ☐ and the Bylaws.

MAINTENANCE AND OPERATIONAL EXPENSES

❖ *Use for Final Public Reports with no interim budget.*

- ☐ The subdivider has submitted a budget for the maintenance and operation of the common areas and for long-term reserves. This budget was reviewed by the Department of Real Estate ☐ in _____ (month-year). You should obtain a copy of this budget from the subdivider. Under this budget, the ☐ prorated ☐ average ☐ monthly assessment against each subdivision interest ☐ will be \$_____ ☐ ranges from \$_____ to \$_____ of which \$_____ to \$_____ is a monthly contribution to long-term reserves and is not to pay for current operating expenses.

❖ *Use for Final Reports with an interim budget.*

- ☐ The subdivider has submitted budgets for the maintenance and operation of the common areas and for long-term reserves when the subdivision is substantially completed (built-out budget) ☐ and an interim budget applicable to this phase. These budgets were reviewed by the Department of Real Estate in _____ (month-year). You should obtain copies of these budgets from the subdivider.
- ☐ Under the built-out budget, the ☐ prorated ☐ average ☐ monthly assessment against each subdivision interest ☐ will be \$_____ ☐ ranges from \$_____ to \$_____. The association may or may not elect to use this budget when additional phases are annexed. Under the ☐ phase budget ☐ interim budget, the ☐ prorated ☐ average ☐ monthly assessment per interest ☐ will be \$_____ ☐ ranges from \$_____ to \$_____. Of these amounts, the monthly contributions toward long-term reserves, which are not to be used to pay for current operating expenses are \$_____ and \$_____, respectively.

According to the subdivider, assessments under the interim budget should be sufficient for proper maintenance and operation of the common areas until the development is completed at which time it may be anticipated that assessments will be adjusted.

- ☐ IF THE BUDGET FURNISHED TO YOU BY THE DEVELOPER SHOWS A MONTHLY ASSESSMENT FIGURE WHICH IS AT LEAST 20% MORE OR AT LEAST 10% LESS THAN THE ASSESSMENT AMOUNT SHOWN ☐ IN THE FINAL ☐ IN THIS PUBLIC REPORT, YOU SHOULD CONTACT THE DEPARTMENT OF REAL ESTATE BEFORE ENTERING INTO AN AGREEMENT TO PURCHASE.

❖ *Use for final reports with range of assessments.*

- ☐ The subdivider has submitted budgets for the maintenance and operation of the common areas and for long-term reserves when the subdivision is substantially completed (built-out budget) and interim budgets applicable to these phases. These budgets were reviewed by the Department of Real Estate in _____
_____. You should obtain copies of these budgets from the subdivider.

Due to uncertainty in the sequence in which other developers in this project will close escrows in individual housing projects located in the overall development, it is difficult to predict at this time the amount of the monthly assessment which will be assessed against each lot in the project.

As the overall project is developed and additional phases of development become subject to assessment, the level of monthly assessments in existing phases of development may increase or decrease, subject to the limitations in the CC&Rs or Bylaws. Under the interim budget on file with the Department of Real Estate, the range of monthly assessments during the development period will be between _____ and _____. Of these amounts, the monthly contributions toward long-term reserves, which are not to be used to pay for current operating expenses are _____ and _____ respectively.

According to the subdivider, assessments under the interim budget should be sufficient for proper maintenance and operation of the common areas until the development is substantially completed at which time it may be anticipated that assessments will be adjusted. Prior to the close of escrow for the sale of your lot, the subdivider will provide you with a copy of the budget for your phase, reflecting the amount of the initial assessment you will actually pay to the association.

❖ *Use if Regulation 2792.16(c) is in the CC&Rs.*

- ☐ The management documents provide that the subdivider or other owner of a subdivision interest will be allowed to defer from payment, that portion of any assessment which is directly attributable to any structural improvement and/or common facility that is not complete at the time assessments commence. The amount of the deferment may be a fixed amount, or may vary based upon dates of completion or use. Once the established criterion is met and the authority allowing the deferment is eliminated, all owners must pay the full amount of the monthly assessment as outlined herein. The limitations of this allowance are specifically set forth in the management documents. (Regulation 2792.16c.)

The association may increase or decrease assessments at any time in accordance with the procedure prescribed in the management documents. In considering the advisability of a decrease, or a smaller increase, in assessments, care should be taken not to eliminate amounts attributable to reserves for replacement or major maintenance.

❖ *Use first sentence only if budget has been reviewed.*

- ☐ THE BUDGET INFORMATION INCLUDED IN THIS PUBLIC REPORT IS APPLICABLE AS OF THE DATE OF BUDGET REVIEW AS SHOWN ABOVE. ☐ EXPENSES OF OPERATION ARE DIFFICULT TO PREDICT ACCURATELY AND EVEN IF ACCURATELY ESTIMATED INITIALLY, MOST EXPENSES INCREASE WITH THE AGE OF FACILITIES AND WITH INCREASES IN THE COST OF LIVING.

Monthly assessments will commence on ☐ all ☐ memberships; ☐ in this phase, ☐ in the phases covered by this report, ☐ on the first day of the month ☐ immediately ☐ following the conveyance of the first subdivision interest ☐ in the phase.

The remedies available to the association against owners who are delinquent in the payment of assessments are set forth in the management documents. These remedies are available against the subdivider as well as against other owners.

The subdivider ☐ has posted a bond ☐ will post a bond ☐ has deposited funds in escrow ☐ will deposit funds in escrow ☐ has made financial arrangements ☐ will make financial arrangements as partial security for the obligation to pay these assessments. The governing body of the association should assure itself that the subdivider has satisfied these obligations to the association with respect to the payment of assessments before agreeing to a release or exoneration of the security.

TAXES

The maximum amount of any tax on real property that can be collected annually by counties is 1% of the full cash value of the property. With the addition of interest and redemption charges on any indebtedness, approved by voters prior to July 1, 1978, the total property tax rate in most counties is approximately 1.25% of the full cash value. In some counties, the total tax rate could be well above 1.25% of the full cash value. For example, an issue of general obligation bonds previously approved by the voters and sold by a county water district, a sanitation district or other such district could increase the tax rate.

❖ *Fill in only if the total tax rate is above 1.25%.*

- ☐ The total property tax rate for the subdivision is _____ % for tax year _____.

For the cooperative corporation, the "full cash value" of _____ will be the valuation, as reflected on the tax roll, determined by the county assessor as of the date of purchase by the cooperative corporation and based upon the purchase price paid. The cooperative corporation shall be assessed for the full amount of the tax and as a purchaser of a share/membership interest in the stock cooperative corporation, you will be required to pay your proportionate share of such taxes as a part of your monthly assessments charged to your membership under your proprietary lease.

Revenue and Taxation Code Section 2188.7 effective January 1, 1981, requires the County Assessor to separately assess the value of each member's right to exclusive occupancy in a stock cooperative project upon receipt of a written request which has been submitted by or approved by the governing body of the cooperative corporation.

The conditions that must be satisfied before separate assessment of individual interests in the stock cooperative project are set forth in Section 2188.7. In order for there to be separate assessment in a tax year beginning on July 1, a request satisfying all of the statutory conditions must be received by the county assessor at least 60 days prior to the lien date (March 1) of that year. Having once been separately assessed, interests in a stock cooperative project continue to be separately assessed in subsequent tax years.

Until the assessor begins separate assessments of stock cooperative interests, the assessment against members by the stock cooperative corporation will include an amount of the payment of property taxes in accordance with the tax allocation schedule included in the governing instrument for the subdivision.

CONDITIONS OF SALE

❖ *Any special conditions should be noted. Use if the Subdivider will offer financing.*

- ☐ Pursuant to Civil Code Sections 2956 through 2967, inclusive, subdividers and purchasers must make certain written disclosures regarding financing terms and related information. The subdivider will advise purchasers of disclosures needed from them, if any.

❖ *Always included.*

If your purchase involves financing, a form of deed of trust and note will be used. ☐ The provisions of these documents may vary depending upon the lender selected. ☐ These documents may contain the following provision(s):

Acceleration Clause. This is a clause in a mortgage or deed of trust which provides that if the borrower (trustor) defaults in the repaying the loan, the lender may declare the unpaid balance of the loan immediately due and payable.

Due-on-Sale Clause. If the loan instrument for financing your purchase of an interest in this subdivision includes a due-on-sale clause, the clause will be automatically enforceable by the lender when you sell the property. This means that the loan will not be assumable by a purchaser without the approval of the lender. If the lender does not declare the loan to be all due and payable on transfer of the property by you, the lender is nevertheless likely to insist upon modification of the terms of the instrument as a condition to permitting assumption by the buyer. The lender will almost certainly insist upon an increase in the interest rate if the prevailing interest rate at the time of the proposed sale of the property is higher than the interest rate of your promissory note.

A Balloon Payment. This means that your monthly payments are not large enough to pay off the loan, with interest, during the period for which the loan is written and that at the end of the loan period, you must pay the entire remaining balance in one payment. If you are unable to pay the balance and the remaining balance is a sizable one, you should be concerned with the possible difficulty in refinancing the balance. If you cannot refinance or sell your property, or pay off the balloon payment, you will lose your property.

A Prepayment Penalty. This means that if you wish to pay off your loan in whole or in part before it is due, you must, in addition pay a penalty .

A Late Charge. This means that if you fail to make your installment payment a specified number of days after the due date, you, in addition, must pay a penalty.

THE SUBDIVIDER MAY ASSIST YOU IN ARRANGING FINANCING FROM A FEDERAL OR STATE REGULATED LENDER WHICH WILL MAKE LOANS THAT ALLOW THE INTEREST RATES TO CHANGE OVER THE LIFE OF THE LOAN. AN INTEREST RATE INCREASE ORDINARILY CAUSES AN INCREASE IN THE MONTHLY PAYMENT THAT YOU MAKE TO THE LENDER. THE LENDER WILL PROVIDE YOU WITH A DISCLOSURE FORM ABOUT THE FINANCING TO ASSIST YOU IN THE EVALUATION OF YOUR ABILITY TO MAKE INCREASED PAYMENTS DURING THE TERM OF THE LOAN. THIS DISCLOSURE FORM WILL BE FURNISHED TO YOU AT THE TIME YOU RECEIVE YOUR LOAN APPLICATION AND BEFORE YOU PAY A NONREFUNDABLE FEE.

Special or Unusual Financing Arrangements:

BEFORE SIGNING, YOU SHOULD READ AND THOROUGHLY UNDERSTAND ALL LOAN DOCUMENTS.
