(ii) Convictions under section 11357(b), (c), (d), or (e) of the Health and Safety Code, or under section 11360(b) of the Health and Safety Code, if more than two years have passed since the date of the conviction. (2) A list of all petitioner's professional license discipline since the date that the Department imposed the most recent license discipline action for which the petitioner seeks removal from the website. Disclosed license discipline must include surrender of a license whether or not an investigation was pending, whether in California or elsewhere. A petitioner may petition concurrently, when eligible, for reinstatement of a license, or for removal of restrictions from a license, without additional charge. A petitioner may request removal of more than one eligible discipline action from the website with a single petition, without additional charge.

(d) Section 10083.2 of the Code requires the petitioner to provide evidence of rehabilitation to the Commissioner indicating the posting of discipline is no longer needed to prevent a credible risk to members of the public. A petitioner may provide with the petition copies of any documentary evidence that supports petitioner's claims regarding rehabilitation, including, but not limited to, documentation evidencing expungement of criminal convictions and documentation of completed restitution, if applicable.

(e) The criteria for rehabilitation set forth in section 2911 of these Regulations will apply where a petitioner seeks removal of discipline information from the Department's website stemming from a Statement of Issues or where petitioner's license discipline stems from an original application for a license. surrender of a license, or other discipline actions ordered by the Commissioner except for a Statement of Issues.

(f) In evaluating a petition, the Commissioner shall take into consideration other violations that present a credible risk to the members of the public since the posting of discipline requested for removal. For purposes of this subsection, a "credible risk" may exist if any of the following circumstances apply:

- (1) Petitioner is currently registered pursuant to the provisions of section 290 of the Penal Code.
- (2) Petitioner is currently on probation or parole.
- (3) Petitioner's license is currently subject to restrictions, and a concurrent petition to remove those restrictions is not granted.

- (5) Petitioner does not make himself or herself reasonably available for interview by the Department investigator in the course of the petition investigation.
- (6) Petitioner has not reimbursed the Department for payments made from the Consumer Recovery Account associated with a claim filed wherein the petitioner was the judgment debtor.

(g) If the Commissioner grants the petition after investigation, the Commissioner will order removal of the eligible discipline item or items from the licensee's entry in the Public License Information feature on the website.

(h) If the Commissioner denies the petition for removal of discipline from the Public License Information website feature, the petitioner may not submit a new petition for a minimum of one year from the effective date of the denial.

#### APPLICANT INSTRUCTIONS

#### Fingerprint Requirement

One set of classifiable electronic fingerprints is required from every real estate license applicant. The fingerprint process is completed by a live scan service provider as noted below.

One set of classifiable electronic fingerprints is also required by licensees who hold a restricted license and who are petitioning for removal of restrictions or by individuals who have had their real estate license revoked and are petitioning for reinstatement of their license.

Applicants have the option of getting their fingerprints taken either after passing their examination or after they have submitted their examination application. However, fingerprint processing fees are not refunded if an applicant fails to pass the examination.

Out of state residents either need to make arrangements to get their fingerprints taken at a live scan service provider in California or get fingerprinted out of state using the FBI Applicant Fingerprint Card (FD-258 Rev. 5/99). A fingerprint card will be provided to all out of state applicants with the original license application. It should be taken to a local law enforcement agency for completion and submitted directly to DRE with the completed license application, license application fee, and \$49.00 fingerprint card processing fee. Applicants who wish to get their fingerprints taken out of state after submitting their examination application, but before passing their examination, may request a blank fingerprint card by contacting the Licensing Section at 1-877-373-4542.
